Additional Information

Church Festivals

Flowers for weddings which are conducted at Church Festivals will be provided in the colour governed by the festival
ie. Pentecost—Red or Easter—White.

Advent and Lent

During Advent (four weeks prior to Christmas) and Lent (six weeks prior to Easter) there are no flowers in church. At these times brides could use outside florists. Flowers may be brought into church purely for the wedding and removed immediately after the ceremony.

For brides not wishing to use the Flower Guild, options are available which should be discussed with the Parish Office when making your booking.
